Composition: 100% Chardonnay

Alcohol: 14%

T.A.: .55g/100ml

Cases: 59,600

Release Date: April 2006

Trincher Winery Trincher Family Chardonnay 2005

VINEYARD INFORMATION

Trincher Family Chardonnay features fruit from our estate and contract vineyards in some of California's top, cool climate coastal appellations.

WINEMAKING

Our 2005 Family Chardonnay features fruit from our Los Alamos Ranch Estate in Santa Barbara County (82.75%) and our Vista Montone Estate in south Napa (12.25%). While most of the wine (74%) was aged in stainless steel, a small portion (26%) spent two and a half months in a combination of new French, American and Hungarian oak barrels.

WINEMAKER NOTES

Our 2005 Family Chardonnay displays the tropical flavors and great acidity typical of our Los Alamos Vineyard in Santa Barbara County. A small portion of fruit from our Vista Montone Vineyard in Napa added grilled nuts to the nose and creaminess to the texture. Fresh, bright, rich and zesty, this is one of our classiest Family Chardonnays to date.
